GREAT NEWS

for EMPISAL KNITTER OWNERS!!.....

Dear Lady Empisal,

We would like to thank the many thousands of women who have written to us with numerous suggestions of benefit to all knitter owners — In particular, thanks to those who filled in our Questionnaire.

The greatest number of requests by far, were for patterns and more patterns. As a result, we commissioned Knitting Experts from the big Wool Companies in five Continents to design a fabulous range of patterns exclusive to Empisal knitter owners. And now, these have been compiled by Empisal's own experts into the most comprehensive pattern service in the world — and we intend to increase it!

We want you to enjoy and get the full benefit and savings from your Empisal Knitter. Then, you'll proudly show your work to your friends and tell them about Empisal too.

Happy and prosperous knitting always.

Yours sincerely,
EMPISAL (AUST.) PTY. LIMITED
